RULES & REGULATIONS GOVERNING RESIDENT PASS

As part of the security system in the development, lift access to apartment units and access to side pedestrian gate are granted through the use of a Resident Pass, which comes in the form of a proximity card.

- ❑ Two (2) to Five (5) Resident Passes will be issued to each apartment unit, depending on the unit type.
- ❑ When the apartment is sold, it is the responsibility of the Subsidiary Proprietor of the apartment unit to hand over all Resident Passes to the new Subsidiary Proprietor.
- ❑ To replace a lost Resident Pass, a letter declaring the loss of the Resident Pass is required.
- ❑ Replacement as well as additional Resident Passes (for family members) will be issued on a case-by-case basis at the discretion of the Management, and is also subject to a charge of \$20.00 per pass.
